

Nassau Soil & Water Conservation District

Regular Meeting 12-19-2025

4:30pm

INVOCATION: Given by Chairman Woehrle. Meeting was called to order at 4:37pm.

APPROVAL OF MINUTES: Supervisor Wentz made a motion to approve the minutes of the previous meeting, seconded by Supervisor Caswell.

APPROVAL OF FINANCIAL REPORT: Supervisor Caswell made a motion to approve the financial report, seconded by Supervisor Wentz.

OLD BUSINESS: District Coordinator Cahill said since the town hall meeting at the Callahan county bldg., there had not been anything new on Thomas Creek. She mentioned she has been working with Nassau County's storm water specialist, Katie Peay to help provide assistance on the project. She has been continuing to follow it closely and will update the board asap if something does come up.

DC Cahill said there has been nothing new on the Lake Hampton Spillway.

NEW BUSINESS:

DC Cahill said she'd received an email from storm water specialist, Katie Peay with Nassau County. She wanted further info on conservation grants. DC Cahill contacted District Conservationist, Paul Gleason and said she'd report back to the board after she heard back from him with the answers to Ms. Peay's questions.

DISTRICT COORDINATOR'S REPORT:

DC Cahill reported that, at Chairman Woehrle's approval, she'd DocuSigned the most recent annual budget agreement with the county.

She also reported that the following annual items had been completed.

1. Annual public depositor report – submitted
2. Annual special district fee – paid
3. Annual records mgmt report – submitted
4. Annual Commission on Ethics report – submitted

Individual Supervisor's Reports:

There were no individual reports, however, the board did discuss changing the day and time of the monthly meeting to a time that was more accessible for everyone. After discussion, it was decided that the board would meet on the third Monday of the month at 4:30 pm, unless there is a federal holiday; in which case, the meeting will be the following Monday.

ADJOURNMENT:
