

Nassau Soil & Water Conservation District

Regular Meeting

July 6, 2026 5:00pm

INVOCATION: Meeting was brought to order at 5:07pm. Pledge and invocation were given by Chairman Woehrle. Supervisors Woehrle, Green, and Wentz were in attendance.

APPROVAL OF MINUTES: Supervisor Green noticed two small clerical corrections in the previous month's minutes regarding the times of events she invited the board to attend. She made a motion to approve the minutes of the previous meeting with the clerical corrections, seconded by Supervisor Wentz. Motion carried.

APPROVAL OF FINANCIAL REPORT: Supervisor Wentz made a motion to approve the financial report, seconded by Supervisor Green. Motion carried.

OLD BUSINESS:

Nassau Wildflower Project – we still haven't heard back from Larry Porter, who is the local point of contact for the Florida wildflower project. Supervisor Green said this is a super busy time of year for her so she has not had a chance to look into this further. The board agreed that we should speak to David Hebert at IFAS regarding the next steps. District Coordinator Cahill said she would look into putting together the appropriate paperwork for the grant when the time comes.

NEW BUSINESS: There was no new business.

DISTRICT COORDINATOR'S REPORT:

District Coordinator Cahill said she'd attended the FL District Employee's Association's monthly meeting via Zoom. She said we are invited to attend the AFCD's annual membership meeting on Tuesday August 25, 2026 at 9am at Florida Farm Bureau in Gainesville. Lunch is provided so the cost is \$25. Farm Bureau requires a list of attendees in advance so everyone must be registered in order to attend. This meeting is to elect AFCD board members and NSWCD would be required to be members of the AFCD in order to vote on board members. DC Cahill mentioned this would be a good opportunity to meet supervisors from other districts and said to let her know if anyone would like to attend.

Individual Supervisor's Reports: None.

ADJOURNMENT: 5:28pm
